

ARM and ARMFICO's Premium Finance Program Benefits

ARMFICO is ARM's own premium finance company, providing special benefits to ARM agents

- Using ARMFICO, ARM agents can create an additional revenue program for their agency
- Paperless finance agreement set-up and collection of down payments through AFCO's exclusive **EPF Plus**, making it easy to set up and complete the financing process
- AFCO's exclusive **Intelligent Mail Tracking** Program (IMT) reduces the administrative time and expense associated with the mailing of late, cancellation and reinstatement notices.
- **Multiple payment options for insureds**, including convenient payment by credit and debit cards for low flat-rate convenience fee
- **Personal Lines financing** also available
- **E&O Policies** – Preferred finance plan for ARM agents' Executive Risk Policies
- **AFCO's Premium Invoicing Solution for ARM Agents** — Eliminates virtually all the "busy" work, with all billing notices produced and mailed in the name of your agency
- **Agency Management System Integration** — AFCO's internet quoting platform integrates with common agency management systems
