

**When time is money,
we can help you save both.**

AFCO's Policy Preservation Process strengthens your agency's receivables management.

- ◆ **Maintains contact** with insureds throughout the billing cycle by mail and phone, aligned with your specified directions, to facilitate prompt payment and avoid cancellation
- ◆ **Offers insureds a clear understanding** of payment obligations
- ◆ **Preserves the insured's coverage** and your revenue
- ◆ Designed to help **reduce account servicing costs**
- ◆ Frees brokerage personnel to concentrate on **cultivating closer relationships** with insureds

AFCO provides **tangible solutions to real-world challenges** facing you and your insureds.
