

It's time to go with AFCO for premium finance.

Why AFCO?

AFCO can help you, as a HUB International broker, to **capitalize on revenue-generating opportunities** while saving time and money for you and your insureds.

Unsurpassed Technology Advantages – Only From AFCO

- **EPF Plus™** electronic premium finance solution enables paperless preparation of finance agreements and online collection of down payments
- **Intelligent Mail Tracking (IMT)** helps agents reduce unnecessary premium cancellations and reinstatements
- **AFCO's QIV system** makes it easy to execute finance agreements online
- **Integration with Vertafore Systems** and other agency management systems
 - Saves time — streamlines the financing process by eliminating the need to re-key critical insured and policy information
 - Integrates directly with AMS360® and Applied TAM systems
 - No cost to HUB International
