

E-Z Endorsement Financing

It is as easy as checking off a few boxes ...

ARMFICO and AFCO are currently financing the original policy.

The endorsement is less than \$10,000.

The insured's account is current and in good standing with ARMFICO and AFCO.

Send an email to marketing@afco.com with the date, policy number and amount of the endorsement.

ARMFICO and AFCO will fund the endorsement amount and send notices to all parties.

The new amount will be included in subsequent invoices.
